A TESTIMONIAL FROM ALICE
(Former Resident)

“I was treated very well at the Odd Fellows Home during my respite stay while my husband was in Poland. I was a little anxious before I came, but it was a good experience. No one was grouchy or impatient with me. Everyone came quickly when I needed help. I was surprised! The food was very good!”

A TESTIMONIAL FROM TONY
(Current Resident)

“My mother and I are so appreciative that the Odd Fellows Home accepted me into their home from out-of-state. The Odd Fellows Home has done more for me than any other facility would have done. The staff are friendly and attentive. The wound care has been very good. Rehab helped me a lot with strengthening my arms and helping my range of motion. I still do my exercises every day. I’ve done really great! Thanks to everyone for all you’re doing for me!”

A TESTIMONIAL FROM THE FAMILY
OF LENA (Family Former Resident)

“Lena had wonderful care at the Odd Fellows Home. The staff gave her 100% great care! We would like to thank all of the nurses and nurses’ aides at the Odd Fellows Home for their kindness, care, and compassion over the past four years.”
